

Activities under IEC RE on the development of a certification scheme

18th GC ESC meeting, 04 June 2020

Knud Jonansen

IEC RE – ENTSO-E activities

- **ENTSO-E IGD on Compliance Testing and Monitoring**

Meetings performed:

- 1st meeting – 2019.06.19 Copenhagen – Introduction to the proposed cooperation
- 2nd meeting – 2019.11.05 Hamburg – IECRE team presented proposals for solutions
- 3rd meeting (Telco) - 2020.05.12 Telco – IGD revision proposed from ENTSO-E team

Revision of the IGD on compliance testing and monitoring – main topics:

1. Clarification of terms and definitions
2. Clarification of the content and scope for an Equipment Certificate (EqC)
3. Clarification of EqC relation to the current type certificates

- **Liaison agreement proposed**

A liaison type (?) between ENTSO-E and IECRE WG10 is proposed to IECRE

Next meeting proposed – 2020.06.30
