Next steps

# GC NCs - amendment process

- ACER is to publish all non-confidential contributions on its website (in the coming days)  
(<https://www.acer.europa.eu/documents/public-consultations/pc2023e07-public-consultation-amendments-electricity-grid-connection-network-codes>)
- ACER-NRAs will analyse and assess stakeholders' input to inform their final amendments proposals to the relevant grid connection codes
- Based on the input from the consultation, ACER will prepare a recommendation for GCNCs amendments to the European Commission by the end of 2023.
