

Update on DRE SG

MESC, 15 October 2025

DRESG objectives and representation

Objectives:

- to contribute to [monitoring progress](#) in the [implementation](#) process of the DR NC and DR related topics;
 - to serve as a [platform to share general views](#) on the DR NC implementation and DR related topics, with a particular focus to enable stakeholders to express their views and receive feedback;
 - to contribute to a more [informed decision-making process](#) for the methodologies and rules still to be developed for the implementation of the DR NC.
-
- [ACER](#) chairs the DRESG; [EU DSO Entity and ENTSO-E](#) are the main providers of secretarial services, organise the meetings in close cooperation with the Chairperson, and maintain the IT platform.
 - The [EC](#) is invited to join all meetings of the DRESG to ensure coordination with other DR initiatives running in parallel.
 - [European groups](#), such as the European Commission expert groups, working on similar topics may join on an ad hoc basis, depending on the DRESG agenda topics.
 - [External speakers](#) may be invited by the chairperson when relevant to the missions of the DRESG.

Aim: having **wider representation** in terms of **different** types of stakeholders and of **geographical** coverage.

Eligibility criteria:

- **Association:** experts from companies, universities, research institutes and think tanks are not qualified, but may be invited on an ad hoc basis depending on the agenda topics of each meeting;
- **European representation:** national associations were not qualified.

Selection criteria:

- representation of **all types** of stakeholders (**diversity** related to demand response stakeholders);
- associations with **wider** representation (higher representation in terms of members and **geographical** scope);
- associations with **work** on **regulatory issues** (working groups on regulatory issues and/or published relevant analysis/position papers).
